

Declared properties:

<i>Basic properties</i>	<i>Values and characteristics</i>	<i>Standardized technical specifications</i>
Reaction to fire	EUROCLASS E	Reaction on fire EN 13501-1:2007
Thermal conductivity	$\leq 0,040 \text{ W/mk on } 0^{\circ}\text{C}$	thermal conductivity EN 12667:2002
Sound absorption indicator	NPD	EN 12354-2:2001
Dynamic stiffness	$s' \leq 63 \text{ MN/mt}$	EN ISO 29052-1:1997
Water absorption	$W_p \leq 0.01 \text{ kg/m}^2$	EN 1609:2013
Dimensions	$d_L \geq 5 \text{ mm}$	EN 12431:2013
Compressibility	$d_L - d_b \leq 1 \text{ mm}$	EN 12431:2002
Dangerous substances		Directive REACH

The characteristics of the ISOUNIVERSAL product are in accordance with the declared properties of this document.

The declaration of performance is issued under the sole responsibility of the manufacturer.
